Front

Stretch direction when non-stretch fabric

Stretch direction when stretch fabric

Cut the front  
in half at the  
mark on the  
front piece

Cut the front  
in half at the  
mark on the  
front piece

Seam allowance

Measure 6 mm  
seam allowance  
for the cup seam  
and then 10 mm  
diagonal down.  
Then add 6 mm  
seam allowance  
for the frontseam
