

CARE TIPS FOR YOUR NEW MEYER COTTON TROUSERS

Cotton trousers are generally very easy to care for. However, there are a few things to keep in mind so you can enjoy your trousers for a long time.

1. PREPARATION

- Sort your trousers by colour
- Close buttons and zippers
- Turn your trousers inside out

2. WASHING PROCESS

- Do not overload your drum
- Wash a maximum of 3-4 pairs of trousers per wash cycle
- Remove the trousers immediately after the washing process is complete

3. DRYER

- All of our cotton trousers can go in the dryer (60-65°)

4. IRONING

- Iron your cotton trousers at medium temperature
- Turn dark trousers and jeans inside out before ironing
