

SUPPORT AND WARRANTY

For product support, contact us at info@spintso.com or the retailer where you purchased your watch.

Spintso gives a 2-year limited warranty on all our watches. The warranty period starts at the original purchase date when the watch was bought new.

CHANGE CLOCK-FACE

Changing clock-face is made when the watch show your current clock-face.

Press on the touchscreen until three small dots appear. Swipe to change between the different clock-faces. Select the clock-face you prefer by pressing the screen until the three dots disappear.

QUICKGUIDE

ISSUE 1.0

SPINTSO REFEREE WATCH S1

GETTING STARTED

Content

The package includes: S1 watch, USB Charger cable, Quick guide.

Charging

Connect the included charging cable between your watch and a standard USB-A charging port. Make sure the pogo pins on the charging connector align properly to the watch charging interface. The charger connector can only be turned in one way due to internal magnets. Do not force the charging connector to the watch in the wrong direction. If wet, the watch exterior shall be wiped dry before charging.

The watch will briefly light the display and indicate charging when charging power is applied.

Start-up

Press and hold the button on the right-hand side until the watch start up.

Water protection

Complies with IP67. The watch can handle swimming, but not diving.
